SCHEDULE (PE Program)

Let's Get Motivated: This session will relay several personal accounts of conversions. It has worked and is still working.

Let's Stay with the Message: This session focuses on the power of the Word. We must put the Bible back into personal Bible studies!

Let's Talk about the Manner: How do you get into a Bible study? We will look at Jesus and how our Master Evangelist was able to develop such a large following.

Let's Not Argue about the Method: It's time to introduce "Back to the Bible" and demonstrate how to use it along with charts from my PE workbook (lesson not needed if extended into a gospel meeting).

Let's Apply the Model: We will discuss difficult situations and take your questions. How does this work in my world?

Let's Adopt the Right Mind-set: In this special ladies' session, Nicole deals with common questions and shares the pivotal role they have in soul winning (ladies only).

Let's Make the Application: I sit down with elders, preachers, and deacons and provide practical suggestions on how to implement this program and train members.
