## SCHEDULE (Basic Level)

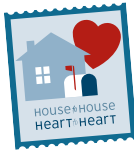

**Let's Get Motivated:** This session will use several personal accounts of conversions to show how that evangelism works and can work for you.

**Let's Stay with the Message:** This session focuses on the power of the Word. We must put the Bible back into personal Bible studies!

**Let's Talk about the Manner:** How do you get into a Bible study? We will look at Jesus and how the Master Evangelist was able to develop such a large following.

**Let's Introduce the Method:** It is time to introduce *Back to the Bible* and demonstrate how to use it along with charts from the Personal Evangelism workbook (lesson not needed if extended into a gospel meeting).

**Let's Apply the Model:** We will discuss difficult situations and take your questions. How does this work in my world?

# GRADUATION REQUIREMENTS

**Let's Adopt the Right Mind-set:** In this special ladies' session, Nicole Whitacre deals with common questions and shares the pivotal role women have in soul winning (ladies only).

**Let's Make the Application:** Rob sits down with elders, preachers, and deacons to provide practical suggestions on how to implement this program and train members in the local congregation.

## SCHEDULE (Advanced Level Program)

**Why Some Do not Obey the Gospel:** If they do not obey, what should I do? Is it my fault? Who is to blame?

**How to Close a Study:** Closing a Bible study is the hardest part. Rob will teach the biblical art of persuasion using the love and terror of the Lord.

**Jesus as the Politically Incorrect Evangelist:** Some know Jesus as their Savior. Few know Jesus as an evangelist. Rob will examine lessons we can learn about effective evangelism from His encounter with Samaritan Woman (John 4).

**Tips for Telling Them about Him:** Rob will share what he has learned over the past twenty-five years in personal evangelism. These are simple techniques that will improve your evangelistic skills.

**How to Find Contacts:** Jesus said the fields are white unto harvest (John 4:35). Where are they? How do I find them?

**Instrumental Music:** Rob will teach you how to use the charts in the manual to demonstrate that vocal music is the only authorized form of worship.

**What about My Baptism?** Rob will use both Bible principles and examples to teach the lost about the "one" baptism.

**What about My Family:** Rob will reveal how to overcome family objections to gospel obedience by focusing on the cross.

**How to Convert My Mate:** The Bible approaches this topic in an unexpected way. Rob will teach God's inspired plan for converting an unbelieving spouse.
